## WHY CHOOSE US?

We take great pride in being one of Britain's first specialist event tipi providers since 2005.

The team in our friendly, family-run office love to talk tipis and will help and advise you on tents and accessories, all the way through, from enquiry to event.

Our elegant and robust Swedish-made Kåta tents can be linked to make space for your party, wedding or launch event. A truly outstanding structure.

Our rural Hertfordshire base allows us easy access to a large area of England and of course, Greater London.

Come along to one of our viewing events in spring or autumn to experience the tipis for yourself and to see why we are outstanding in the field!

## OUR TIPIS...

Our giant Nordic tipis are made by Tentipi in Sweden, they are strong and weatherproof.

The tipis can be linked together to create a single area for your event. Every event is different so we will make sure you have the right space for yours.

During the summer season the sides can be lifted, this helps to bring the outdoors, indoors. In the winter season the tipis can be closed, with fires and heaters a warm cosy atmosphere can be created.
